10:30 AM David Bridgham, MDOE Office of School Facilities, Facility Inventory

11:15 AM Legislative Committee Report – wrap up of 131st Legislature’s second session

12:00 PM Lunch provided by United Technologies Center Culinary Arts students

1:00 PM Stress Management Workshop with Heather Washburn, LCSW, StrengthenMe

Chronic stress impacts everyone personally and professionally and even in the most challenging circumstances, it is possible to practice self-care. In this training, participants will learn more about what stress is and will gain practical skills that can be applied throughout professional and personal lives. Topics include how to cope with stressful situations and understanding the individual triggers that often influence negative reactions.

2:30 PM Adjourn
